“ Arleta was a part of my life during a sweet season in both our lives. I'm grateful to have known her. She was always kind. She taught me how to make hot lettuce, how to be a courteous wife, how to speak up for myself, and how to have a sense of humor during the tough spots. She was a treasure of a gal!

“ Aleta and I were playmates since grade school in Berrysburg, thru to graduation. Then she married my cousin, David. She was always there for family gatherings with David and the kids. Then the boys grew up and had families of their own, of which she was very proud. She will be missed. Aaron and Nathan you can feel at ease that your Mom has been joined with your Dad, and will for ever be at peace.
