“ Barbara was my first cousin, we were only 4 years apart in age. I remember her having two horses when living in Groton, NY in the early 1950's. One was named Pepper, the other name I cannot remember, it was a chestnut colored horse. She really loved horses and dogs. After my mother died in 1951, Barbara's mother (my Aunt Mary) took myself and my 5 brothers in and raised us for some time. Barbara was always in the middle of everything, energetic and a real treat to be around.

Although our paths separated later in life, I always remembered the good times. I last saw Barbara in the summer of 2012 when my Uncle Tedd, her brother, Howard, and myself spend a couple of days at her home gathering information and documents, photos for the Family History Genealogy, which we had printed this past August.

I will miss you very much.

My deepest condolences to the family.

“ *Barbara Jean and I were very close. We grew up together for good portion of our younger lives. Although she is my niece, many of our friends thought that we were brother and sister. We both also always felt that we were more like brother and sister rather than Uncle and Niece. My fondest memory's of her is of the days we spent most of our time in our younger life playing together. We did a lot of sleigh riding, swimming, bicycle riding and many other games together in the village of Malloryville, New York. I remember that she always had so much energy, smiled a lot and was always fun to be with.*

Barb, I will miss you very much and you will always will have a special place in my heart.

To the family of Barbara Jean (Barb) I give my deepest sympathy and sorrow for your loss.
