“ Dearest Amy, Katrina, Fred and Greg,  
I remember your Mom finding a special shampoo that, when used regularly, would bestow curly hair on the user. Continuing to track down this shampoo was a challenge, but when it came to her children, no challenge was too great.  
Your Mom was loving, generous, funny, innocent in nature and had a heart of gold. All of which were inherited by you, her beloved children.  
Lovingly Yours,  
Aunt Libby

“ Robert and family,

*I am so so saddened to hear of the loss of Carol. I have so many fond memories of her sweet smile and kind heart thru all our chats at the Y. I truly feel blessed having to meet and get to know both of you over the past few years. You are both so active and involved with so many fun things and good causes in the community. When Miss Carol heard of someone needing something, she did not hesitate to give and never wanted to be “revealed” for those good deeds. She was a woman of faith and I am sure she is at peace and is chatting up in heaven, shining her light with everyone there! I have missed you both these last few months and will always cherish our laughs and interesting conversations. Praying for you Robert and the family that our Lord will give you peace and comfort in the days ahead. Rest In peace sweet Miss Carol.*
