“ Our thoughts and prayers are with Dean's family, Norm has many story to tell of the years working with him at Roadway and we are so proud to have had him as part of the Adams family all those years sharing great times with he and Evelyn and the fun we had at our reunions remembering one special time when the bench broke they were sitting on and accidents are definitely not funny but this bench they were sitting on went down in slow motion making their bodies disappear then their heads were below the table like a magic act disappearing and all we heard was the two of them laughing so hard and we all joined in once we knew they were both ok. We will miss you Dean and may you Rest In Peace.

“ *Dean will always be in our hearts. We will miss him allot and playing cards with him. I loved him for being with my mom and he was always there for her. I will surely miss him, but I know he is safe and at peace.. He was a great hard working man and a father to both Rick and I. I'm so glad he was in our lives.*

We love you, Dean.
