

Dennis P. Leshner

November 9, 1959 - February 14, 2026

Dennis P Leshner, 66, of Halifax Pennsylvania passed away on February 14th at Hershey Medical Center after a brief battle with cancer. He was born in Harrisburg on November 9, 1959, the son of Harold and Catherine Leshner.

Dennis grew up in Fishersville working for a family business, Leshner's Milk Transport, starting at the age of 16. This started his 50 year career as a truck driver that led him to transporting milk, delivery feed and delivery eggs across the country. He ultimately ended his career transporting for Hearth & Home Technologies.

Dennis enjoyed hunting, going to concerts and hanging out with friends and family.

Over the years, Dennis spent time making his family laugh with all his sarcasm and shenanigans. He had a love for animals and had many beloved pets throughout his life. Bella, his last dog, was cherished and went everywhere with him. Later in life, he found great joy driving his slingshot anywhere he could and taking Bella along. He joined a Polaris slingshot group where he found friends that loved the ride as much as he did.

Dennis was survived by his son Jeremy Leshner (Angela), daughter Justine Cooper (Ricky) and son Dustin Shomper and 2 grandchildren Sarah and

Justin. He was preceded in death by a baby girl Leshler, his parents, Harold and Catherine Leshler. We are grateful for the many friends that touched his life and know that he touched the lives of others with his generosity and caring spirit.

“ To the Lesher family so sorry for your loss. I remember Dennis as a next door neighbor watching him grow-up. Seeing him from time to time after I moved away. Always a friendly hello and catching up on current lives. He will be missed.

“ So sorry to read of his passing this afternoon. I would have come to his funeral. I enjoyed hunting with him at Camp Keystone. I remember the time he brought up a pickup load of old cheese for the bear. We laughed about how constipated they must have been.
