“ He & Phyllis were such kind neighbors to my
grandmother when she was their neighbor (
Mary & Alva Zerbe). She always spoke very
highly of both of them and they were always
very kind to me when I was visiting my
grandmother. My sympathies and prayers to Phyllis and the family.

“ *Uncle Danny was a wonderful example of a good, Christian man. I have so many fond memories of growing up with him and Aunt Phyllis at picnics at the Park, holidays at our grandparents, sledding at their house and making homemade ice cream, and watching my uncles clean their harvested game at Mem and Pap's farm. I will always remember and love you both.*

Denny was a great friend growing up. Each summer I would visit my grandparents, Lewis and Lottie Hepler, in Gratz. Wow, the memories are as vivid as yesterday with Bobby Miller, Jim Hepler, Dennis Hepler, Randy Straub, Gene Klinger, Kenny Matter, Leonard, and so many other little guys playing ball, swimming, fighting, hanging out, getting in trouble. No one could have had better friends or been more blessed than we were as kids. God bless you Denny...may you always have "fair winds and follow seas"!
