“ The Irving family is sending their prayers and blessings to Janet and Jean and their families on the passing of dear Edna. We had the great pleasure and blessing of being neighbors with Edna and Bill from 1980 until 1996. We will never forget her (or Bill). As we moved and traveled out of PA, there were phone calls and Christmas cards from Edna. She was faithful in her friendship with us. Because of a local newspaper shared with us by a church member, we read of Edna's passing. She made the best vegetable soup that she generously shared with us; I spent many afternoons on the front porch recliner with Edna; and she was a loving babysitter of our son when he was a young child. He loved her warm tomato sandwiches and 'crunchy noodles soup.' She always had a play time with him as her fingers crept up the side of his neck towards his ear and she would say: creepy crawly, creepy crawly, gonna chew on your ear for awhile.' We absolutely loved Edna and will be forever grateful that our paths crossed as we resided on Main Street in Tremont!!!!
