“ My condolences to Grace's loving family. I have been off work for a couple of days and only found out today about grace's passing. It saddens me that I didn't have as many years with her like her family and friends, but the time I had with her was a great pleasure. Her parents named her the right name when they named her Grace. The Grace I got to know over the almost 2 years of caring for her, was full of grace, beauty, and charm. Grace was always smiling no matter how much pain she had. A very strong woman, with inner beauty and outer beauty. I wish I would have known of her passing, so I could attend her service. I have much respect for her and her close loving family who I also adore greatly. I loved her like a grandmother and she always showed me a lot of love and knew how to make me smile when my day wasn't going very well. When I saw her for the last time I gave her a kiss and she gave me a smile and I told her I loved her and to behave herself. I love you Grace. May you rest in peace. I will miss you dearly...Barbara Motko

“ I know what a wonderful person Grace was thru Nita, her grand daughter. I am fortunate to have Nita in my life and have gotten to know Grace thru her. What a hard working vibrant person she was. When I have talked to Nita, she immitates the exact accent her Grammy had as an immigrant to this country. Her family contributed significantly to America! Unfortunately, I never got to meet her, but I truly know her thru her grand daughter -- my wonderful loving friend and confidant! I know that Grace is in Heaven because of her belief and the way she lived her life. My sincere condolences to all the family and her friends. Rest in peace sweet and wonderful lady!
