She was the wife of the late Preston Herb and a member of the VFW Ladies Auxiliary, Gratz

Helen is survived by her son, Steven Christman; daughter, Linda Matter; on brother and one sister.

No services are scheduled at this time.

Tribute Wall

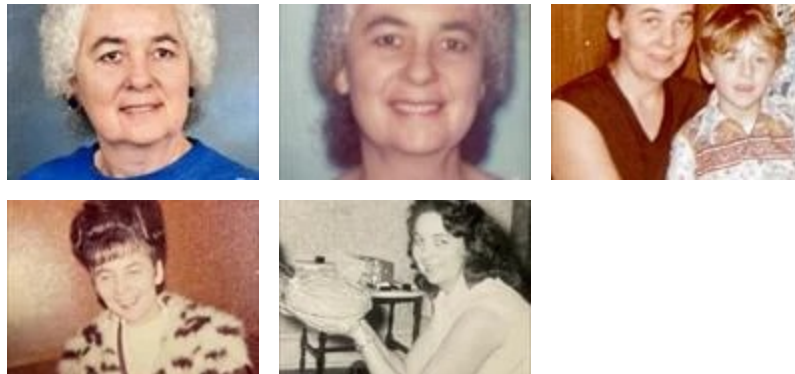

LM

“ To my precious aunt who has loved me since I was 11. You worked hard all your life, sharing your heart and home with so many others. Your love for my sons and their furry friends has been incredible! While many do not know your story I am humbled that you shared it with me. The day you went to the hospital you said I love you so much Linda will always remain in my heart. God answered my prayer by allowing me to visit you and have our last conversation together. I was planning on bringing you home but God had other plans. I miss you so much already! Things will be different but one thing will remain I love you and I was blessed to be loved by you!
