“ I retired from ABF about 10 years ago and lost contact with Jeff after I retired. I met him when we were young men. I immediately liked him. We spent many times talking about family. I know that he really loved and worried about Wyatt when he was going through some tough teenage years. Wyatt was always on his mind. He was a great father and a wonderful friend. I was so shocked to hear that he had passed. May the Lord bless and welcome his soul in heaven.

“ Dear Wyatt, Warren Jr and I want to express our deepest condolences on the passing of Jeff our Brother and Uncle. He was a very hard worker all his life. He went to work everyday no matter if he was sick and it didn't matter how far he had to travel, he never missed work because of the bad weather. Everyone knew when Jeff was coming into Klingerstown. He would rev up his motorcycle through the gap. I remember the many years of your Dad being in the Demo Derby at the Gratz Fair. I prayed for his safety and loved when he would win. When you were born, he stopped entering because you came first. Your Dad was a responsible, hard worker who loved and cared for his family. Jeff, my brother and uncle you will be greatly missed. Great memories growing up. Years going to Dad's camp, holidays and reunions. Too many good memories to mention. Thank you Jeff, for loving your nephew Warren like you did and giving him Dad's first deer head. We both really appreciate it. Warren and I will always miss and love you in a very special way and remember you in a very special way. Wyatt, you had a great Dad. You are in in our thoughts and prayers. May God be with you during this most difficult time and God Bless you and give you peace. We both love and care about you very much
