“ I was deeply saddened to hear of Judy's passing. She was a very special lady to a lot of individuals, including me. She had a great love for a lot of things, including her family, her animals, her wine, and her friends. She was "Mama Judy" to many of us. I will also remember her laughter and her smile. I am so fortunate to have known her and to be able to have experienced life with her. I pray for Judy's family and all that knew her during this time of sorrow. I pray we receive comfort from the memories of Judy. Judy - may you rest in eternal peace and may the memory of your positive impact on all of us live on forever.

“ In addition to Judy’s beloved family mentioned above, Judy also had a CU family that loved her dearly!

Several of us spent a lot of time with Judy outside of work. In our homes, at dinner, weekend getaways, on vacation, etc.

Our time with Judy was always special and will forever be cherished! She had a beautiful soul and a beautiful smile.

Judy’s heart was full of love. She loved us well! She also loved babies- every baby, everywhere. And she loved animals. All animals, but especially cats! She even turned me into a cat lover! And everyone knows her love of snowmen. We will never look at a snowman the same. Their cute smiles and round cheeks will always remind us of Judy!

Judy was such a selfless person. Always thinking of others. Always kind. Always giving. Working at the winery part time was perfect for her because of her friendly, outgoing personality. I know she enjoyed her time there as she talked about it often. She also shared all her wine pouring, pairing and tasting tips with us.

For our gatherings, Judy was known for her Stromboli, veggie pizza and zuppa toscana soup. She made all of them to perfection.

And, boy, did she love her pool! Any pool. Well, the water in general. She was like a fish and could stay in the water all day long. She also loved her ice tea...and all things lemon..

Everywhere we look, for the rest of our days, we will see something that reminds us of Judy. She was a dear friend to all of us, and a sweet soul that is gone too soon.

We love you Judy! Thank you for sharing your life with us and for being a part of ours! It was truly a gift!

Our deepest condolences to her family!

Forever and always,

Janice, Lisa, Pat, Shawna & Suntara
