Lisa, Remembering all of the good times we had together with our families! You have taught us all how quickly life can change and to not sweat the small stuff. Seeing the recent picture of you on the beach in Florida with your family, and hearing your Father-in-law say that it was just nine months ago, just makes this so hard to fathom. Strength to your family especially Patrick, to keep your memory alive for Fallon and Brady. Prayers to Kevin as he stays so strong for everyone.
