“ *My sincere condolences to Mary`s Family on her passing. Mary was a sweet, kind and loving lady. I remember going to Bible school with her when we were younger. She always lit up a room with a smile. May she rest in peace. May God bless her and may God wrap his ever loving arms around her.*

“ *I enjoyed working with Mary at Metso, she always was talking about her boys. We had fun going on business trips and I remember that last trip was to Pittsburgh, we toured the Market place, rode the Duquesne Incline and then made our way to Hard Rock Cafe. I was sad when Mary chose to leave Metso. I am truly sorry to hear of her passing. May her memory be a blessing and help you through the days ahead. God Bless, Alice Kitchen*
