“Joyce, Clint, Cindy, Scott, Chris and families,

We are so very sorry to hear of Maynard's passing. He was a good man, a good neighbor, and always had a friendly wave for us when we drove by. He will be dearly missed. Our thoughts and prayers are with you all during this time of sorrow.

“We will always remember the Wolfgang reunions at the Church grove in Erdman and his smiling face. We enjoyed chatting with him and enjoying the food, fun, and fellowship with our cousins families. Not many words were exchanged, but a smile seemed to be always on his face.
