“ I was so shocked to hear this. I did just receive the christmas card that was sent by Todd and Susan. Todd was a good friend to me and my former husband, Stephen. We had a lot of good times fishing, the boys would go fishing and I would get to play with Casey when she was little. You will be missed Todd.

“ We wish we could be there for you in person, Susan. I will always remember that Todd and I shared the same sense of humor. Which rather annoyed you and Joy from time to time. I pray that have strength to continue on. I know that you will and continue to guide your children through this trying time. Know that we love you and the kids, and will miss Todd very much.

“ Dear Todd,

Just want you to know that your memory is still living on within the family. Your amazing wife and children are are going from day to day and working hard to make you so proud. As the holidays approach again, another year without you and the anniversary of your passing soon....the days will be tough! But we know you are watching down upon them and giving them the courage they need to move forward!

You are loved and missed...and never forgotten.

Love always,

Emily ~ sister in law and family!
