“What wonderful memories I have of being in her shadow. She was a great teacher and enhanced my life and also my two children, introducing us to the beautiful world of music. My mom was her "cleaning lady" and Lynn and I were together every Friday in the summer, sometimes getting in trouble but mostly just having fun. If we were good, we got to go to the "Pepe House" for an ice cream float. I spent many hours in her home and will always remember that as happy times in my life.
