“ *To the family of Phyllis:
I have known Phyllis for 34 years, every since her son Timmy and I became friends. She was always so nice to me and never had a bad word to say. I haven't seen her in years since I moved to FI but did speak with her on the phone a few times over the years. I will miss her and some of her funny ways. RIP Phyllis no more pain. I wish you all the best and I'm sorry for your loss!*
