“ I have so many wonderful memories growing up and having you for an aunt. You always were ready to partake and lead us in so many fun activities. From taking us swimming up to the Big Rock, rollerskating, ice skating, sledding, New Year's Eve Parties at your house, going for walks, and always making Jesus an important part in your life. You set such a good example for us all to model. You will be missed by many. Love you and Uncle Danny always.
