“ To The Family and Friends of Randy Mace,
I had the honor and pleasure of working with Randy for the past two and one-half years with Experience Works, Inc. We started out together, as new Coordinators, in Dallas, TX the end of February of 2009. Because we were both new we shared many conversations trying to figure out and understand the Senior Community Service Employment Program and would console one another when overwhelmed. Since our organization is spread out across the State of Pennsylvania, we did not see one another much other than when we attended training; i.e. Washington, DC; the Pocono's; Harrisburg; Mechanicsburg and even Selinsgrove. I always enjoyed talking with Randy. He was a good and gentle soul. I, personally, will miss his presence as an integral part of our TEAM.

My deepest sympathies to his family and friends. You all are in my thoughts and prayers as all of us struggle with his loss.

In loving memory of Randy - he will remain in our hearts forever.

Love, God Bless,
Betty Baktis, Employment & Training Coordinator

“ As part of the Experiene Works team in Williamsport, we shared many moments with Randy, both work related and personal. He was our supervisor. During his illness, we had a chance to meet some of Randy's family. Our hearts go out to all of you and especially to Randy's father, Russell, who was always there. Our sincere and heartfelt sympathy.

“ When you hear someone described with the phrase "They would do anything for you", it is usually at least slightly exaggerated. With Randy, it is a huge understatement! What a guy, and what a friend. Greatly saddened by this, but so glad to know the suffering is through. Love ya Randy and we'll miss you greatly.

My thoughts and prayers are with you all at this time of great sorrow. The only thing I know to do to help ease your pain and grief is to pray for you so please know that I am doing that.
