“ *My dad was a great man. He could be so quiet and yet so outspoken and joking. He loved people. Those who knew him, loved him and his quirky sence of humor. He never shook hands, he hugged. You have left a big void in my life. Love you always dad.* ”

“ *My Uncle Ray was a big gruff bear of a man who was more teddy bear around his family. My mother, sisters and I deeply appreciated that he and Aunt Marilyn remained close with us. Road trips with him were a blast - but card playing after eating chili was a natural disaster waiting to happen! I shall always remember and love him!* ”

Raymond was my father. He was the best father anyone could have. If you knew him he had a smile for everyone and had a sparkle in those blue eyes. He loved to joke . Always a hugger. If you met him you loved him. He always carried a box of candy in the van for the neighbor children. His humor and love for his family will be greatly missed. I love you dad.
