“ Many great memories were spent with my gram from my cousin Josh and I staying over when we were little, going to the gratz auction and to the Berrysburg and Pillow carnivals to watch Crazy Elmer. Ill never forget her taking me back to see the baby pigs on the farm after my bath and falling in pig crap lol then needing another bath. Also can't forget all the holiday gatherings from little on up. These are the precious memories that I will cherish my whole life. I love you so much!!!

“ So thankful to have so many great memories with my gram. From playing cards with her and her friends on the weekends, to going on the senior citizen bus trips, going square dancing, her teaching me how to drive before I was 16, running over a tree in the yard when I was mowing after my pap just planted it, just talking about life, and all the laughs. They will never be forgotten. Love you always!
